More About

Skills

Front End Development - React (Next.js)

Serverless (Google Cloud, Firebase, etc.)

Backend (Node.js, Express, GraphQL)

Product Design (UI/UX), Website Design, Webflow

Basic CI/CD - Github Actions & Google Cloud Build

Tools

Figma, Adobe Xd, Invision Studio

Adobe Photoshop (Minimal)

Git, Github, Visual Studio Code

Education

Sri Lanka Institute of Information Technology (SLIIT)

BSc (Hons) in Information Technology

(2023 - Undergraduate)

I specialize in designing, building & deploying beautiful, usable products with blazing fast efficiency.

I'm seeking a **developer position** where I can utilise my knowledge while gaining hands-on experience in the industry.
